FULFILLING HOPES AND DREAMS
Dear Friends and Supporters,

The SARAH Foundation Board of Directors, our volunteers and staff would like to thank you, our donors, for your support of our mission of “making independence possible.” Although government funding for SARAH programs has continued to decline, our donors have continued to be very generous.

In 2014, two significant Planned Gifts supported the SARAH Endowment Fund and SARAH SENECA totaling $230,000. One of these gifts was from a long time anonymous donor and good friend to SARAH SENECA. The second gift was an estate gift from a North Branford resident Elizabeth Kyburg whose story is featured in this report. Estate and Planned Gifts are legacy gifts that can support SARAH participants now and for years to come.

Last October, SHiFT Cycling owner, Jenn Kuehn, created a fabulous outdoor spin event, SHiFT for SARAH. Together SHiFT instructors and SARAH participants taught 4 spin classes to 30 riders and raised over $8,000. Uplifting music, food trucks, beer tastings, silent auction and prizes all set the mood for an amazing afternoon. We are all looking forward to the next SHiFT for SARAH.

This year, we produced a video that depicts three families with children with intellectual disabilities at several different stages in their lives. Maleah is a baby who was born at 26 weeks and has been helped by SARAH KIDSTEPS Early Intervention Services. Joey is a 13 year old teenager who attends public school in Guilford and participates in a variety of Unified Sports. Jon is a young adult who receives employment support from SARAH, Inc. This touching video is posted on our website and we invite you to view the video to learn more about SARAH.

We hope you enjoy these stories of SARAH and the families that we support. If you have any questions or would like additional information on how you can help, please contact us at the SARAH Foundation. Thank you.

Warm regards,

LEGACY GIFTS CAN TOUCH HUNDREDS OF LIVES FOR YEARS TO COME

Elizabeth Kyburg did not have a personal connection to SARAH but she believed in our mission of “making independence possible”

Elizabeth Olsen Kyburg lived in Guilford most of her life. She had a family with two children, two grandchildren and four great grandchildren. She graduated from Bennington College and worked for many years at Yale University in the Anthropology Department. She lived a quiet life in Guilford and eventually moved to Evergreen Woods Retirement Community.

Known for her gentle kindness and keen wit, she enjoyed nature and the company of her family. When Elizabeth passed in 2014 at the age of 84, she made several generous donations to local organizations. One of these donations was to the SARAH Foundation to help us enrich the lives of SARAH participants. We will always remember Elizabeth and her generosity to people with intellectual and other disabilities.

Elisabeth Kyburg’s legacy gift will help SARAH participants to live full and productive lives.

Yale - New Haven Hospital
Maleah was born at 26 weeks and weighed less than 2 pounds at birth. She came home from the hospital with many challenges. Her family was scared and anxious. What will the future hold for Maleah? With help from SARAH KIDSTEPS Early Intervention services, her future is bright.

“This is Maleah. She spent 109 days in a Neonatal Intensive Care Unit. Pretty much they said that she is not going to do much, but obviously with Physical Therapy and Birth to Three – this is Maleah now. It was a tough journey; I would say that, very tough journey, scary, anxious, and depressing. But looking back to where we are now, it was worth it, it was so worth it. It’s a lot of work, but the outcome is going to be beautiful.”

SAYING GOOD-BYE TO OUR SWEET GEORGIA

“Working at SARAH’s Cupboard gave me something productive to do with my time.”

Georgia Payne has worked as both a volunteer and part-time employee at SARAH’s Cupboard Thrift Shop for over 30 years. She sorts and prices clothing which is the top selling item at the store. Georgia’s son, Richard, has been a participant at both SARAH, Inc. day programs and a SARAH SENECA resident most of his adult life.

In December of this year, Georgia, will be retiring from her position at SARAH’s Cupboard to try her hand at other activities. Everyone that knows Georgia knows that she has a positive outlook on life, always a smile on her face and that she will definitely find something interesting to do. She is already talking about taking classes, exercise and even yoga.

Georgia is an inspiration to all of us at SARAH and to the customers at SARAH’s Cupboard. She will be missed at the store and we wish her the best on her retirement.

SARAH FOUNDATION FINANCIAL INFORMATION

The SARAH Endowment Fund contributes to the fulfillment of the SARAH mission by providing enduring support for the SARAH Family of Agencies. Unlike any other source of support, the Endowment Fund is a permanent, self-sustaining source of funding for SARAH. The Foundation’s fundraising efforts, together with donor planned giving, provides assets that can be invested for long term growth. Each year, a portion of the total value of the Endowment is paid out to support the SARAH mission, and any earnings in excess of these distributions are used to build the Endowment’s value. The Endowment is managed for the long-term to strike a balance between the competing demands of funding current operations and preserving long term access to resources to fund future operations. Your contribution to the SARAH Endowment Fund will support SARAH participants now and for years to come.

CHALLENGES, CHANGES, COURAGE, SUCCESS

Barry and Carolyn had no idea how to help their son, Harrison, a youngster with autism who was a challenge to handle at home. So Barry and Carolyn made the difficult decision to place their son in a school in Massachusetts. Harrison flourished at the private school but when he graduated, he still needed help.

Fortunately for Harrison’s family, he qualified for residential support funding from the state of Connecticut. Barry and Carolyn looked at a wide variety of options but finally decided on SARAH Tuxis Residential Services. Even then, there was paperwork, meetings, finding a home, helping to furnish a home, finding roommates. Somehow it all came together.

Today, Harrison is a young man full of life and an inspiration to everyone he meets. He has become more social, less likely to anger and has a unique sense of humor. Harrison lives in a home with two other young men who are supported by SARAH staff. Together they grocery shop, cook dinner, clean house and also enjoy vacations, baseball games, fishing, photography and going to the beach.

Harrison has joined us as a volunteer at the SARAH Golf Classic for the past two years. We are all extremely proud of his accomplishments and we look forward to a wonderful future for him, his family and SARAH Tuxis.
